Lawrence High School Song

CHORUS

We pledge to thee our loyalty,
We'll give thee of our best,
And by our upright deeds, our love
For thee shall we attest.
In foreign lands, in distant parts,
Our fortunes we may try,
But deep within our hearts we'll keep
The mem'ry of our Lawrence High.

Lawrence High School Ode

The time has come for us to meet
The challenge of the world;
Our goal is that of earned success:
Our banners are unfurled.
As we embark, we do not ask
For smooth and quiet seas;
We cast adrift our every fear:
We shun a life of ease.
The friendships of the past four years,
The skills that we have learned
Will give us strength to scale the heights
For which our dreams have yearned.
To help us win a place in life.
Our trust in God will be
The inspiration that we need
To guide us faithfully.

Toast To The Faculty

Let me on this occasion of good cheer
Propose a most deserved toast
To those who hold the lamp of learning high,
For whom tonight, we play the host.
Now let us rise to offer fitting praise
And give full due to each of them;
Dear classmates, in tomorrow's toil and strife.
Successes from their help will stem.
So often, when the goal seemed beyond reach,
They gave us freely of their time;
Their counsel made the mountains look less steep.
And eased the labor of our climb.
The time has come to bid our last farewell
And pass regretful through the door.
For years of sacrifice on your behalf.
Be grateful, Class of '54!

The football season of 1953 marked two very important firsts in the history of Lawrence High. It was in April that the School Committee elected Edward Doherty as the first full time coach of football at Lawrence. In order to help him become acquainted with his team, the school authorities authorized spring practice for the first time. This practice proved invaluable because the boys had to learn an entirely new style of play.

No one expected much from Lawrence last year, but in the two pre-season jamborees, future opponents found out that Lawrence would be no pushover.

We won our first two regular games away from home, with a great deal of credit going to our rock-ribbed defense, headed by Bob Souma, Billy Rossi, Norm Salem and Nat Mugavero.

At our first game, four of the starting eleven, Capt. Tony Ramos, Ken Taylor, Dan Bresnahan and Joe Drummond, were on the bench with injuries and we were tied by Lynn English 6-6.

The sweetest victory of the year came at the expense of Central Catholic, 13-0, with Bob LeFebvre and Ray Huot scoring the touchdowns and Aime Reming kicking the extra point.

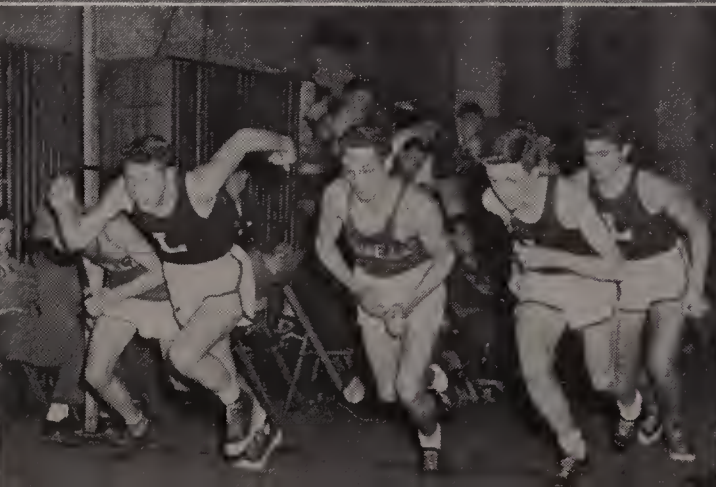

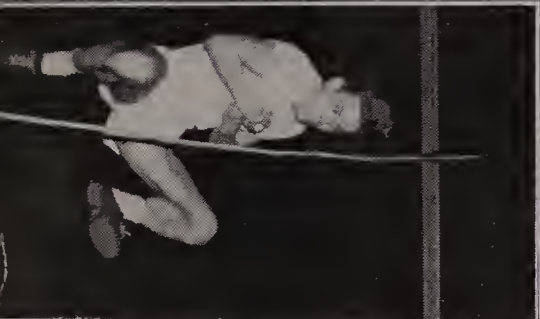

The spirit of the team was terrific: this was shown by the fact that a majority of the boys were playing positions unfamiliar to them, on account of the smallness of the squad, were playing long periods of time without rest.

In such small space it is impossible to give credit to all the members of the Squad. However, other seniors on the team were Paul Snoonian, Joe Zagarella, Tom Toohey and Charlie LoPiano, who bolstered the line. These boys kept the regulars on their toes because they were able to step in at any time.

Football is definitely on the up-grade at L.H.S. While a record of five wins, three losses and one tie is not earth-shaking, it is our best record in the last four years. Student apathy has disappeared. Under the leadership of the Booster's Club, the public is behind the team. With spring practice and a new-found school spirit, we shall soon be on even terms with both Lowell and Haverhill.

Coach Doherty has a fine nucleus returning next year, Capt. Bill Rossi, Jack McCarthy, Dom Mazzocco, Chief Salem, Bob Souma and Bill Hickey. The graduating members wish these boys all the luck in the world next season.

Middle row: Marty Delaney, Frank Piazza, Eddie Caston, Bob Lefebvre, Bill Rossi, Buddy Noble, Bill Hickey, Sam Coco, Jack Scannell, Coach Ernest Perry.

Front row: Tom Decubellis, Nat Mugavero, Paul Kiernan, Tony Iannuccillo. Captain Dick Dion, Ray Praetz, Bob Previte, Al MacQuarrie, Francis Hughes.

The Lawrence High School Cross Country team turned in an enviable record to start us off on the right step through an unpredictable season. The Harriers were successful in defeating the powerful Haverhill and Woodbury Clubs. Next year's team, unfortunately, will be obliged to compete without the assistance of the following seniors: Raymond Praetz, Salvatore Marchese, Alvin MacQuarrie, Robert Rancourt, Andrew Allain, and Richard Dion.

With eleven seniors lost by graduation a year ago, the indoor track team was inequitably stocked with veteran material. Furthermore, with unexpected absences of lettermen Ellis, Allain, Hennebry, Ferrara, and because of the heating difficulties in the gymnasium, we found ourselves at a disadvantage which we were unable to overcome by the end of the season. There was an unfortunate decline of depth in the sprints and relays, which was in part attributable to the lack of training facilities and to the consequences of inexperience. However, one of the consoling feats of the season was turned in by Lawrence's Harrison Dillard, Tom Decubellis, who cracked Bob Fraser's previous record and set a new high hurdle mark at 5:4 seconds.

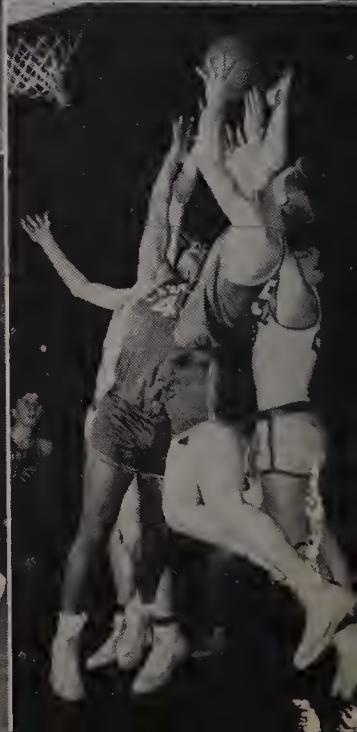

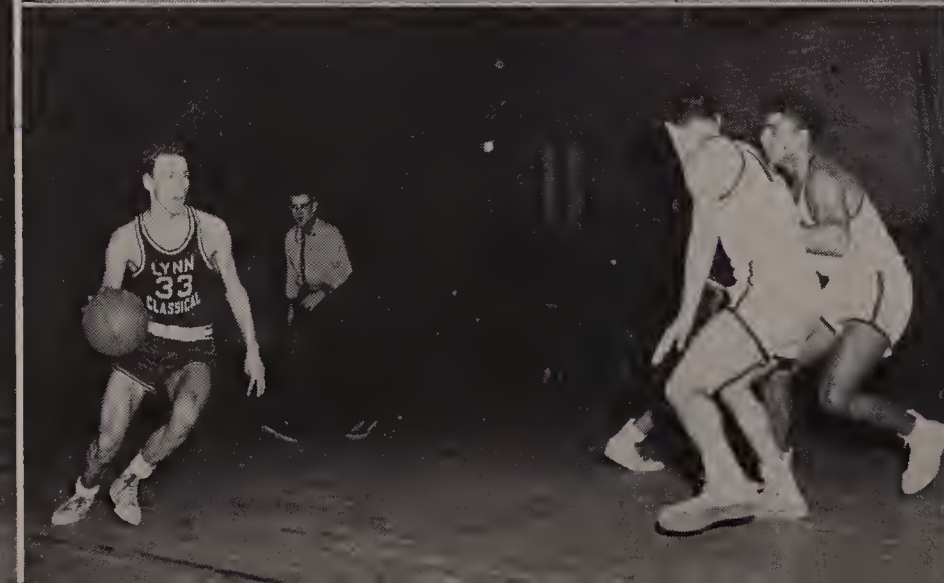

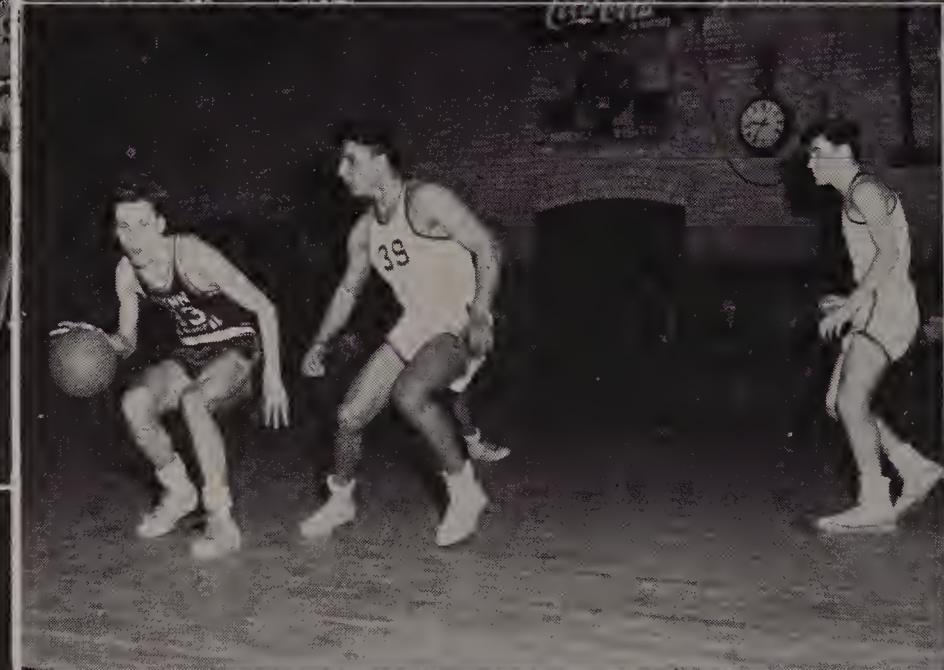

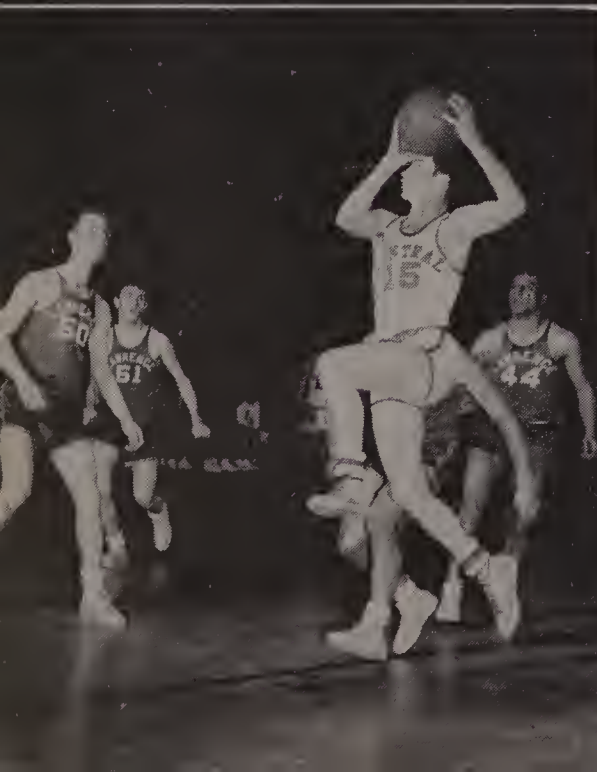

In addition to the dual meets with Andover, Lynn English, and Lowell, our boys took part in the B. A. A. meet and the Indoor State Meet. As a reward for many weeks of arduous practice, the squad closed out the indoor season with the overnight trip to the Bowdoin Interscholastics on March 6.

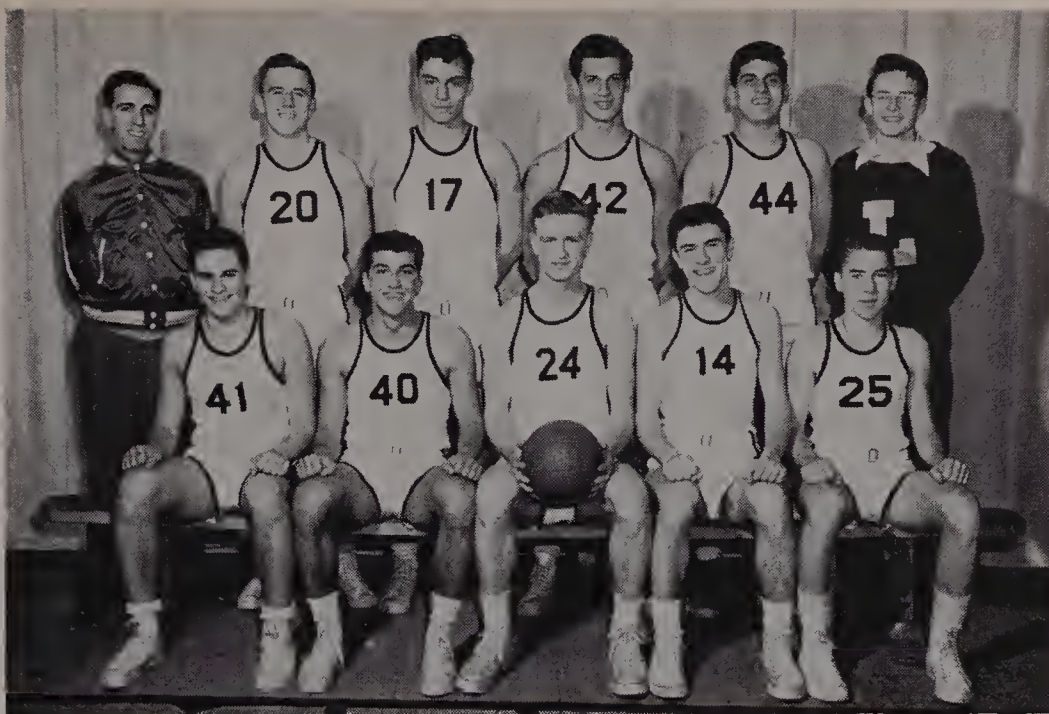

Previous to the dawning of the outdoor season, I wish to predict a memorable season on the part of those "cagers" who are determined to balance the score with our arch rivals. Tommy Decubellis is bound to continue over the path of record breaking events; Nat Mugavero is expected to equalize (if not better) his previous feats in the shot put and discus; and Dick Dion will be seeking the Essex County Mile Record of 4:41.

Senior lettermen who will be lost by graduation include Tom Decubellis, top-notch field event and relay man, Nat Mugavero, top contender for the shot put mark. Buddy Hughes, our top sprinter and broad jumper in the past three years, Bob Previte, a capable quarter-miler, Joseph Ellis, our stellar quarter miler, Andrew Allain, a furlong competitor and Cross Country runner, and Captain Dick Dion, who competed in the mile run. Other seniors on the '54 track list include Raymond Praetz, capable middle distance runner, Tony Iannuccillo, an outstanding performer in the six hundred, Paul Kiernan, a consistent field event competitor as well as a half miler. Salvatore Marchese, one of the finest dash men ever to graduate from Lawrence High.

As a final memento, I wish to express my gratitude, on behalf of the entire squad, to Mr. Perry, Mr. Devlin, and Mr. Lawlor for their constant efforts toward our part of the sports picture, while we were enjoying the opportunity of representing our school in track athletics.

Basketball

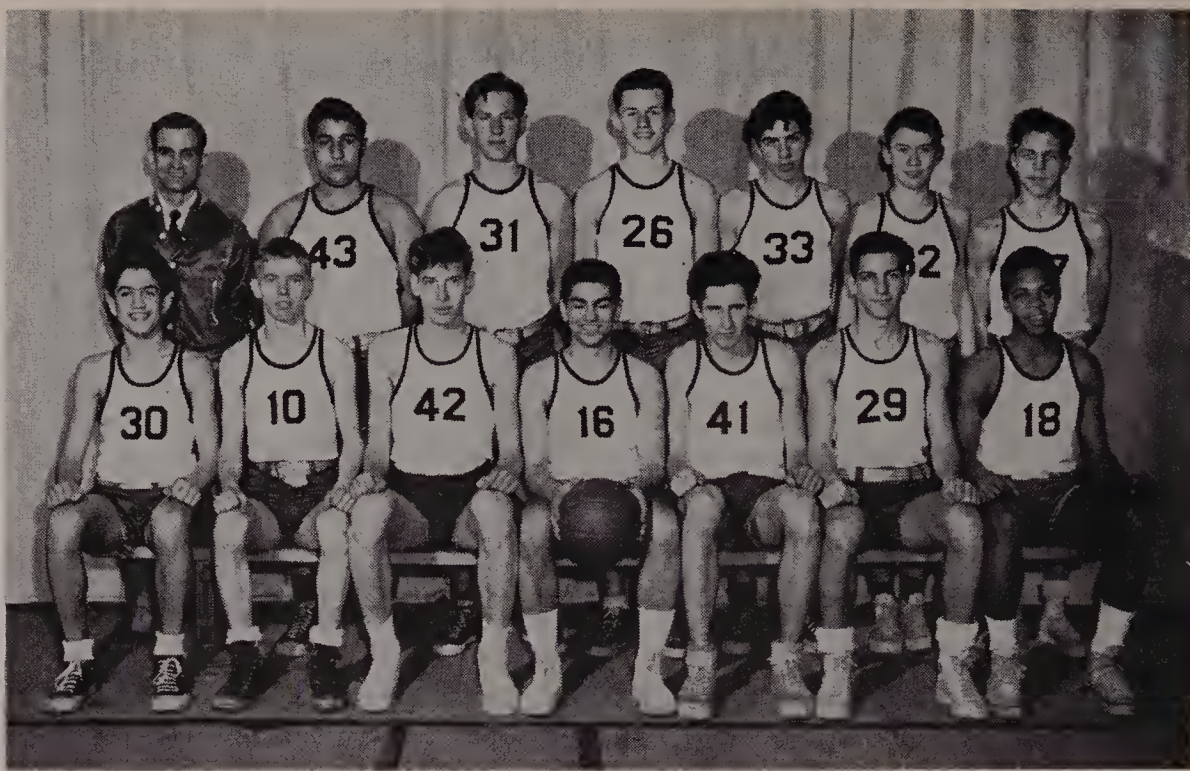

The Lawrence High School basketball team enjoyed an indifferent season of eight victories and thirteen setbacks. In the Essex County League, our record was five won and nine lost. Prospects looked good at the opening gun, because we had a roster of experienced players, which was augmented by many graduates of the previous year's JV squad. The work of our new coach, Basil Bova, seemed to bear fruit, for we won our first three games, all away from home. However, we were badly handicapped at this time for a suitable practice site, because the Gym was unavailable for six weeks for lack of a proper heating system. Getting a few hours of sporadic drilling at the Y or the Boys' Club was not sufficient to build up the pattern of our plays, and as a result the team hit the toboggan and lost its next five games. While this slump put us out of the running for championship honors, the team played crowd-pleasing basketball, and capacity gatherings witnessed our home games. Two games played on our home court stand out as the highlights of the season. Lynn English came to town, tied with Salem for first place, in the last week of the Essex County season. Since they had beaten us easily in an earlier meeting, we were lightly regarded. However, we defeated them 81-80 in sudden death overtime, and gave Salem the championship. Against our arch-rivals, Central Catholic, a team that was good enough to reach the semi-finals of the EasternMass. Championships, we held the lead for 36 minutes, and then succumbed 52-47. At the time they had won twenty games and lost only one.

The JV's, on the other hand, had an unbelievably good season, losing only one game out of twenty-one. Many boys who were not quite good enough to make the varsity had ample opportunity to improve under game conditions. Boys like Ed Lonardo, Jack Mills, Bob Laudani, Billy Perry, and Jim McCarthy will be battling for Varsity berths next year.

Seniors who will graduate this June include Capt. Joe Cockroft, who starred at center and scored 280 points, Bill Mulvey, a great play-maker and star back-court man, Tony Ramos, Nat Mugavero, Bill Peter, Charlie LoPiano, and Jim Beattie. Back next year will be Captain-Elect Don Lydick, high scorer in 1954 with 340 points, George Maroun, Jack McCarthy, Bill Rossi, and Ronnie Rachon. They should form the nucleus of a winning team in 1955.

We Seniors wish Coach Bova the best of luck for next year. We also want to thank all school officials who were connected with basketball in any way for the fine treatment we enjoyed while representing the Blue and White on the court.

Golf is a young sport at Lawrence High, now in its third year. Back in 1952, largely through the efforts of Johnny Boda, professional at the Andover Country Club, the Merrimack Valley Scholastic Golf league was born. Lawrence High won the league championship in 1952, and finished second to Lowell in 1953. Competition in this sport is made possible by the largest of the Andover Country Club and the Merrimack Valley Country Club in this area. They give our players free use of their courses and provide professional coaching. Although scholastic golf is still in its infancy at Lawrence High, already several promising players have been developed.

The Lawrence High School Baseball Team

The Lawrence High School Baseball team under the guidance of their newly-appointed coach, William Regan, started the season in fine style. They showed they possess all the material and fight of a winning team. The captain this year is Aime ("Lefty") Reming a member of last years all star team and son of "Lefty" Reming, a former pitcher of the Blue and White Class of "32". Last year Aime was the most impressive and reliable pitcher on the team. He pitched a no-hit, no-run game against Haverhill and struck out eighteen Hillies, one short of the Essex County League record. Coach Regan can also call on Joe Cockroft and Bill Perry should Aime run into trouble. Both boys performed well on the mound when their services were needed a year ago and will be a big factor in the success of this year's team. The opening day lineup found Lawrence High strong in many positions with the return of many of last year's regulars. Catching, we have Bob Le Febvre, a member of last year's All-Star team and a lad with plenty of experience and ability when the chips are down. Bob has also broken up many games with timely hits and is always a threat at the plate. At first base we have Joe Cockroft, an all around player, who also helps with the pitching when needed. Billy Peter, the second base man who along with Jack McCarthy, the shortstop, give Lawrence a double play combination that is hard to beat. Third base is well guarded by George Maroun, a good fielder and a lad who can come up with the long ball in the late innings. In the wide open spaces of the outfield, we have a combination of speed and good throwing arms in Ray Huot in left, Joe Drummond in center and Tony Ramos in right.

Toast To The Girls

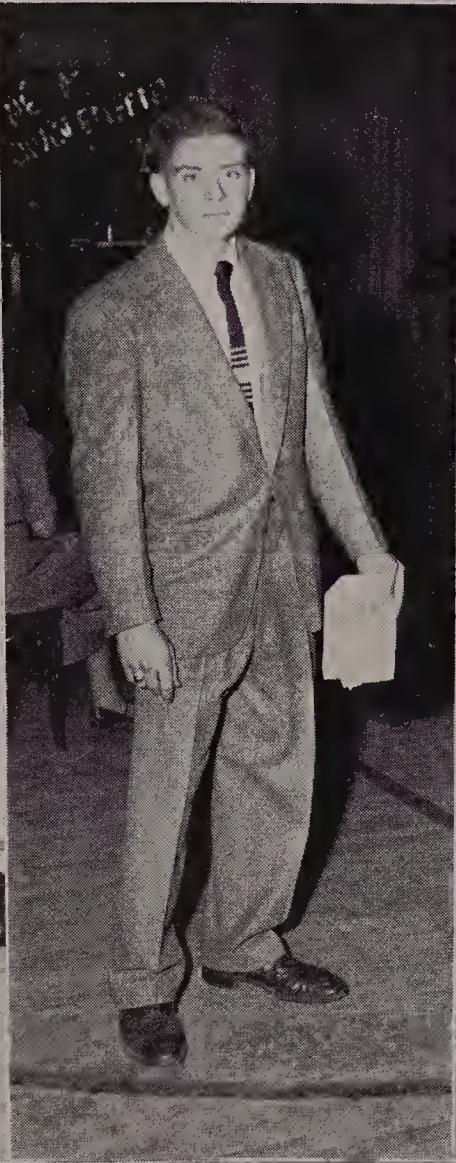

As our serious school days reach an end,
We'll let down our hair and really unbend;
With plenty of rollicking, wholesome fun,
The kind that is sure to please everyone.
Look at those girls on their pedestals high,
While we stalwart males stand helplessly by!
Ready to jump at the crack of their whips;
Exultant or crushed by their jesting quips.
They lead us at games, those damsels so fair;
They lead us in classes and everywhere;
They dance us around like monkeys on strings;
Then laugh as they see us do foolish things.
One moment they "send" us, walking on air;
Then they just wash us right out out of their hair.
Our humility's showing, I admit.
Does our rating go up because of it?
Cheer up, my brothers, for we still can win.
Can't you see gold only covers the tin?
Jangle of bracelets, bright lipsticks of red;
Tintair hides even a sensible head.
Now that we know the true worth of you dames,
Again we will call the list of your names
To tell each singly, as never before:
"Our best to all the girls of 'Fifty-four!"

—PAUL KIERNAN

Toast To The Boys

Let's drink a toast to all the boys
In the Class of '54,
To do them honor for their deeds,
And wish them luck galore.
As they depart from Lawrence High
And go their separate ways,
They'll cherish countless memories
Of present-time school days.
Of course there are our great athletes,
Who strove to earn their letter;
For win or lose, they were good sports;
To us, there were none better.
The party lions of the class,
And gentlemen as well,
Made social events really roll,
To delight every belle.
While some will further knowledge seek,
At higher schools of learning;
Yet more will ply apprenticeships,
And learn a trade while earning.
In future years, they will become
Cogs in the wheel of life;
Administering unto our ills,
Or quelling legal strife.
Our bandsmen's music may gain fame,
With jazz or classic tune;
Their songs may reach the Hit Parade,
By rhyming June with moon.
But come what may in years ahead.
Our best thoughts go to them;
May they succeed in their life's work,
As up-right, honest men.
And so to all, we do declare,
Our minds will linger long
On each and every one of them,
Beyond the last school gong.

Class History

It was on the morning of September 6, 1950, that another group of green freshmen ascended the steps of Lawrence High for the very first time! How could any of us forget that day? Along with trying to find the correct rooms for our classes, we must have looked ridiculous to the upper classmen when we complained of not being able to find the elevator on the first floor near room 2! None of us seemed to mind being just freshmen though, since we were high school students. We were made! Looking back four years, I can't remember anything spectacular happening, so I'll try and recall just a few incidents. Not too long after our entrance into high school, one of our favorite teachers, Mr. Joseph Kerrigan, and one of our classmates, Donald Luistro, passed away. They are still remembered after four years.

We elected as our freshman class officers, Mary Gill, (who left Lawrence for California at the end of her sophomore year), president. Tony Ramos, vice president, and Rita Couto secretary-treasurer. Events of interest were the athletic contests, Talent Night, dances in the gym, and report cards. But most important of all was becoming a sophomore.

During our sophomore year, many a night was spent trying to master (or just pass) algebra and geometry at the same time. Latin students realized why the language had killed the Romans. Homework was more or less accurately defined by the teachers who said it was the only thing that kept us out of trouble between week-ends. Our class officers were Tony Ramos, Donald Delaney and Mary Gill. The more athletically inclined boys went out for the many teams and I can recall cheering in the stadium many a chilly fall afternoon, watching thrilling basketball games in the gym, and sitting in the bleachers over at O'Sullivan's. Then came June and our last two years at Lawrence High were drawing nearer.

Our junior year brought Ex-President Truman and President Eisenhower to Lawrence, in October, and we all went to the Common to hear their speeches. As our own political force, we had Tony Ramos for president, Donald Delaney vice-president and Bob Lefebvre secretary-treasurer. Being upper classmen now, it was our privilege to take part in Career Day which had been thoughtfully planned for us. We also attended the L-Men's dances and prayed it wouldn't rain on Prom Night. Our junior year flew by, and before we knew it the seniors had graduated and left us to take their places.

It seems that in our senior year we built our hopes and they in turn built us. I think we all tried to make everything really count whether we were studying for the College Boards, or applying for a job. This year a new football coach came into our midst and I'm sure his future teams will be headed for many victories. Still on the subject of newness was the completion of the locker room in the girl's gym and the appointment of our new music director. The year was saddened by the death of two of our teachers, Mr. William Higgins, and Mr. Mortimer Murphy. I'm sure they will be fondly remembered by their students. Quite a few of our classmates left for the armed forces after mid-year and are now serving their country. Class officers for our senior year were Tony Ramos, president, Joe Drummond, vice-president and Ken Taylor, secretary-treasurer. Memorable events of our last high school year were the the Lawrencian's new look, having our Year Book Dance, Talent Night, Career Day, College Boards, dances in the gym, and our big Prom.

Oh, there have been many things that have happened during our four years that haven't been mentioned here; things none of us will ever forget. For instance the teachers who helped us when we needed it; the assistance we received in putting our yearbook together from Mr. Moynihan and Mr. Casey; the understanding of our headmaster, Mr. Lawlor; and all the friendships we have made through high school. "Today you are where your thoughts have brought you. Tomorrow you will be where your thoughts take you." In closing this history of the class of 1954, I want to wish all my classmates the best of happiness-which is wanting what you get, and success-which is getting what you want.

Class Prophecy

Before going into detail on what to expect from the members of the Class of 1954 in the days to come, I must impress everyone how seriously I have assumed the office of Class Prophet. I have taken courses in palmistry, tea-cup reading, star gazing, crystal ball rolling and weather forecasting. On any given day I can pick nine winners out of nine races at Rockingham Park or Narragansett. I have a first mortgage on Aladdin's lamp. Since the price of coffee has climbed past a dollar a pound, I use a substitute beverage, witches' brew, the ingredients of which can be found in Act 4, Scene 1 of Macbeth. Now that I have established my qualifications for reliably foretelling the future, let us go to the business at hand:
